

Chino Hills Little League

(909) 393-8454

Policy regarding Possible Rained-Out Games

It should be assumed that all games will be played as scheduled unless the City of C.H. closes the fields involving our schedule or a designated representative from our Board of Directors deems the fields to be unsafe.

If a manager is unsure of field status he or she should contact the following numbers depending on location of game in question:

Chino Hills “Mud Line” at 364-2738 for Community Park Fields,

CHLL Message Center at 393-8454 for Los Serranos Fields

Important: It should never be assumed that because it rained at your house the fields are closed that day. Weather conditions vary around the city. Our league makes every effort to play every game as long as it is safe.

If the Message Center has not been updated then proceed to the field as planned. If the games can not be played the umpire (if available) or both managers agree, the field will be closed for that game. If this occurs, the managers must notify the designated board member as soon as possible so that future games can be assessed and arrangements can be made by the Divisional Vice President to re-schedule that game.
