

Sponsor Form & Letter for Chino Hills Little League

We want to offer you the opportunity to advertise and promote your business throughout the Chino Hills Community. This is another exciting year for Chino Hills Little League. We are promoting many great events before and during our Spring Season. Your sponsorship of Chino Hills Little League will allow you to promote your business with one of the largest youth sports organizations in Chino Hills. Your sponsorship also allows Chino Hills Little League to promote baseball to many children in our community.

Chino Hills Little League is a non-profit organization. All sponsorship goes 100% toward the operation of Chino Hills Little League. The hundreds of children and families that participate in Little League baseball appreciate your support. We are asking for support from our entire community. Our sponsorship and advertising programs offer many advantages and rewards, including providing a positive youth organization that keeps our children involved and away from at risk behavior that ultimately is detrimental to the entire community. Below is a detailed breakdown of our sponsorship program.
