

OPENING DAY

SPRING 2012 - A Day on the Bases

When: Saturday, March 3rd
Where: Chino Hills Community Park
Time: 8:00AM till 2:30PM

Welcome to Chino Hills Little League Baseball!!!

The theme for this year's festivities is "A Day on the Bases." The Opening Day Committee has put together a unique program that will be interactive, fun and memorable.

A home run derby and bat race for the kids followed by a parent/ coach softball tournament will take the event from the concrete to the field. We may have a City Council member or two participating in the softball tournament!

Our guest speaker this year is a former player from the California Angels. City Council members, including our Mayor will be in attendance!

The day will start out with a Pancake breakfast at 8:00AM followed by team pictures. Live music courtesy of "Give up the Junk" will be delivering the "sounds" starting at 10:00AM. A variety of food, product and apparel vendors will be participating in the event. Face painters and balloon artists will be roaming the park to our kids delight and Wild Kingdom will have an inflatable baseball game for kids of all ages!

The Chino Valley Fire District will have one of their fire engines on premise as well as a Fire Prevention booth. The Chino Hills Police Department will have a police cruiser, motor bike and additional public safety apparatus.

Opening Day ceremonies will commence at 11:30 AM!

The \$7,500 grand prize as well as the \$2,500 and \$500 cash prizes will be announced immediately following the ceremony. Former Los Angeles Dodger, Mark Cresse is providing 4 one week scholarships to the Mark Cresse Baseball Academy. The Los Angeles Angels have donated autographed baseballs as well as other gifts and prizes! Some of our other generous sponsors donating raffle prizes are as follows;

A Big thank you to our League Sponsors!
